

## TECHDEX™ TRADEMARK USE DOCUMENTATION – v1.0

### 1. Trademark Overview

TechDex™ is a trademark representing the commercial, technical, and professional identity of Dexter R. P. Nelson. Rights originate from continuous use beginning in 1998 and commercial use beginning May 29, 2004.

### 2. First Use in Trade (Professional Use)

- First Known Use: 1998
- Circumstances: TechDex™ originated as a nickname used in trade school by peers and instructors, identifying Dexter Nelson's technical expertise in IT, programming, and development.
- This establishes early trade/industry use and common-law ownership.

### 3. First Use in Commerce (Business Use)

- First commercial use: Saturday, May 29th, 2004
- Event: Founding of TechDex Development and Solutions.
- Used in offering software development, IT services, consulting, and digital solutions.

### 4. Trademark Owner

- Dexter R. P. Nelson
- Sole proprietor and creator of all TechDex-branded systems, software, and services.

### 5. Goods and Services Covered (Current Uses)

- Software development
- Artificial intelligence systems and architecture
- SaaS platforms
- Firewalls and security systems
- Digital consulting and technology services
- Chatbots, AGI architecture, and knowledge systems

### 6. Sub-Brands and Related Marks

- TechDex AI™
- TechDex AGI Architecture™
- TechDex Chatbot™
- TechDex Firewall™
- TechDex Development & Solutions™

## 7. Domain & Platform Uses

- techdex.net
- ai.techdex.net
- Subdomains and platform integrations utilizing the TechDex brand.

## 8. Continuous Use Declaration

The TechDex trademark has been in continuous use from 1998 through the present without interruption or abandonment.

## 9. No Abandonment Statement

At no point has TechDex™ been abandoned. It has expanded in scope and commercial activity over time.

## 10. Specimen Examples (Descriptive)

Examples include:

- Branding on websites
- Software products and source code
- Marketing materials
- AI platforms and chat systems
- Business communications

## 11. Notes for Future USPTO Filing

This document serves as internal proof-of-use and chronological trademark evidence supporting any future registration.
